Re: *United States v. United Automobile Workers*, Civil No. 2-20-13293

Dear Judge Lawson:

On behalf of *amicus* UAWD, I write to thank the Court for its courtesy in inviting the filing of an *amicus* brief addressing the Court's pending disposition of the Government's submission of its approved candidate for Monitor, from a list of candidates presented to it by the UAW. The UAWD will not be filing a brief addressing this pending action and submits this notice to assist in facilitating the pending disposition.

Very truly yours

/s/

Barbara Harvey, Esq. (P25478)
